BEA/ECO/TARIFF/2021-2022/441

13 April 2022

PUBLIC NOTIFICATION

This is to notify that the Bhutan Electricity Authority has received electricity tariff revision proposal for the period July 2022 to June 2025 from Druk Green Power Corporation, Bhutan Power Corporation and Mangdechu Hydroelectric Project Authority in March 2022.

As part of the electricity tariff review process, Bhutan Electricity Authority will conduct a public consultation on 3rd May 2022 in Thimphu. Interested consumers wishing to attend the consultation meeting are required to register on or before 26th April 2022.

During the consultation, each consumer category for Low Voltage, Medium Voltage, High Voltage will be permitted to make presentation on the tariff proposals provided a prior registration is done on or before 23rd April 2022.

The tariff revision proposals and the registration forms can be downloaded from the BEA website <http://www.bea.gov.bt>. The duly filled registration form may please be sent to khando@bea.gov.bt or khando.wangchuk@gmail.com

For further queries, please contact Ms. Mindu Wangmo or Ms. Nermin at 327317 ext. 105 during office hours.
